At the dawn of history India started on her unending quest, and trackless centuries are filled with her striving and the grandeur of her success and failures. Through good and ill fortune alike. She has never lost sight of the quest or forgotten the ideals which gave her strength. We end today a period of ill fortune and India discovers herself again. The achievement we celebrate today is but a step an opening of opportunity, to the greater triumphs and achievements that await us. Are we brave enough and wise enough to grasp this opportunity and accept the challenge of the future !
