- 5 (a) Read the following passage and answer the questions 8  
given below.

Since time immemorial we have emphasized on traditional values like spirituality, strong family ties, respect to elders, care for nature, artistic expression, hospitality and peaceful co-existence. Values such as harmony, peace, compassion and humility have for

centuries been a part of the preachings of every religion in the world, and their need and importance is universally accepted and felt, more so in the current social and political context. Respect for human dignity and human rights, as well as respect for the environment are core values that need to be practiced. Not only are they crucial to achieve peace, harmony and development, they are also essential if the full potential of the child, be it body, mind or spirit, has to be cultivated. In the modern times, those people will be in more demand, who have not merely possession of technical and professional competence but as much as even more, the possession of soft skills and life skills. Ability of work together in a team to quickly resolve conflict situation, to collaborate and cooperate with others which ultimately leads to higher levels of achievements.

**Questions :**

- (1) What values have been emphasized by mankind since the beginning of the civilization ?
  - (2) How can a child be brought up into a man with a full potential ?
  - (3) Why are the soft skills and life skills more essential in the modern time ?
  - (4) What is the passage all about ?
  - (5) Give a suitable title to the passage.
- (b) Draft an advertisement for an educational institute. **6**
