Human Rights are recognized for the personal development of Human beings. The concept of Human Rights has acquired international status. Human Rights allow mankind the right to live in dignity. These rights give priority of future of the interest of mankind and development of the mental faculty of human race. A panel of legal commentators have dealt with this subject of Human Rights. Committees of Human Rights work for the welfare of society.

(b) Translate the following passage into Gujarati. 10

The term negligence has two uses, for it signifies a particular state of mind and at times conduct resulting therefrom. In the former, negligence is opposed to wonderful intention and in the latter it is but to international wrong doing Asiminer's double signification is observed in the word "Cruelty" subjectively, if it means a certain disposition and objectivity it means conduct resulting from it. The ambiguity can scarcely lead to any confusion.
