8 (A) Translate the following passage into English : 9

માણસનું મન ધન, સત્તા, વૈભવ અને પદથી આગળ વિચારતું જ નથી. માણસે પોતાના વિચારો પર વિવેકનો પહેરો સતત મૂકવો જોઈએ. સંતો એટલે જ સલાહ આપે છે કે કાર્યનો પ્રારંભ કરતા પહેલા વિચારવું એ બુદ્ધિમત્તા છે. કામ કરતી વખતે વિચારવું એ સાવધાની છે. કામ બગડ્યા પછી એના જ વિચારોમાં અટવાયેલા રહેવું એ મૂર્ખતા છે. સમજ્યા વગર અપનાવેલો વિચાર સંકટ લાવી શકે છે. માણસે પોતાના નવીન વિચારો દ્વારા પોતાના વ્યક્તિત્વને નવા ઢાંચામાં ઢાળતા રહેવું જોઈએ. એક સારો વિચાર કે કાર્ય આખા ગામ, નગર કે દેશને ઉન્નત બનાવી શકે છે.

(B) Translate the following passage into Gujarati : 8.5

Life is a struggle. Man is not perfect and he cannot succeed in everything that he takes on hand. Human life is a story of numerous failures and a few achievements. Success naturally gives us joy and pride. Failures generally disappoint and discourage us. However the right approach to failures is not to be disappointed by them. Failures should be regarded as stepping-stones to success. We should learn some lesson from our failures. Each time we fail, we come to know the reasons of our failures. We become aware of our weaknesses and defects. We also discover our hidden powers. Thus, failures can become our best teachers. Failures should inspire us to work harder for success.
