- 10 Frame five questions from the following passage. 20
We have already reached a situation wherein all the moral and political values have deteriorated principles of equity and natural justice are being violated at very step and our freedom and democracy are merely shadows rather than substance. The orthodox redtapism of the executive authorities, the disregard for human values the usurpation of authority by the undeserving. The shameless disregard of principles of just and honest social individual relationship the shocking increase in crimes and shattering of law and order in the country make it inevitable and incumbent that a powerful lokpal with supreme authority will be the only care for these evils.
