The Bombay Stock Exchange benchmark, which opened in the negative zone, was down by 263.51 points, or 1.45 per cent, at 17,914.82 at 1100 hrs.

Stocks of capital goods, banking, auto and metal firms were under pressure, dragging the Sensex down.

Similarly, the broad-based National Stock Exchange index Nifty also fell below the crucial 5,400 points level, losing 79.30 points, or 1.46 per cent, to 5358.05.

Brokers said the trading sentiment was extremely bearish, dampened by a series of negative factors such as rising crude oil prices in global market amid the spiraling crisis in Libya and weakening equities in the global market.
