## CS-04: Networking & Internet Environment

Faculty Code: 003 Subject Code: 2041004

Tim	Fime : $2\frac{1}{2}$ Hours] [Total Marks : 70]					
Inst	truct	ion: Attempt any 5 questions from following.				
1	(a)	Objective type questions:  (1) ISP Stands for  (2) VSAT Stands for  (3) TCP/IP Stands for  (4) DNS Stands for	4			
	(b)	Answer the following question: Define what is Intranet?	2			
	(c)	Answer the following question: Difference between LAN and WAN (any 3 point)	3			
	(d)	Answer the following question : Write a detail note on OSI reference model.	5			
2	(a)	Objective type questions:  (1) LAN Stands for  (2) WAN Stands for  (3) In which topology all the devices are connected to this main cable through drop lines?  (4) The is a global network that uses TCP / IP protocols to connect millions of computers worldwide.	4			
	(b)	Answer the following question : Explain in brief about start topology.	2			
	(c)	Answer the following question: Difference between internet and intranet (any 3 point).	3			
	(d)	Answer the following question : Write a detail note on types of computer network.	5			

3	(a)	Objective type questions: (1) WWW Stands for (2) FTP Stands for (3) URL Stands for (4) HTTP Stands for	4
	(b)	Answer the following question : Define about webpage	2
	(c)	Answer the following question : Write a short note on search engine.	3
	(4)		5
	(d)	Answer the following question: Difference between Static vs. Dynamic web site	อ
4	(a)	Objective type questions:  (1) is also known as web address  (2) Telnet Stands for  (3) A user can get files from another computer on the intemet by using protocol.  (4) The first page that you normally view at the website it is	4
	(b)	Answer the following question : Define about E-mail.	2
	(c)	Answer the following question:	3
	(1)	Explain about HTTP protocol.	_
	(d)	Answer the following question: Explain in detail about types of payment system.	5
5	(a)	Objective type questions:  (1) HTML Stands for  (2) Who is Inventor of HTML?  (3) Which element is responsible for making the text bold in HTML?  (4) Which tag is used to break row?	4
	(b)	Answer the following question: Explain Body tag in brief.	2
	(c)	Answer the following question :	3
	(0)	Explain $\langle u \rangle$ , $\langle i \rangle$ , $\langle b \rangle$ tag of HTML with example.	9
	(d)	Answer the following question: Explain <form> Tag with All Attributes, Values and Example.</form>	5
