

Seat No. _____

HQ-CFP02004
Bachelor of Design
(Sem.-II) Examination
April - 2023
CFP02004 : Research Methodology

Time : Hours / Total Marks : 20

Instructions :

- (1) Students are allowed to use any medium of colors and pencils to the applicable questions.
- (2) Only blue and black ball pens are allowed for writing answers (no gel pens)

1 Fill in the blanks - Attempt any Five : 5

- (1) _____ can be described as a systematic inquiry directed towards the creation of knowledge.
- (2) The three purposes of a preliminary research project proposal documents are to act as a means of _____, _____ and as a _____.
- (3) The structure of any research title can be understood through three parts, namely _____, _____ and _____.
- (4) _____, _____ and _____ are three ways of expressing a research problem.
- (5) The three ways of conducting random sampling for data collection are: _____, _____ and _____ random sampling.
- (6) Case study, grounded theory, ethnographic, narrative and phenomenological are type of _____ strategies of conducting research.
- (7) Research design can be of three type : _____, _____ and _____.

2 Descriptive type questions : Answer any 3 : 15

- (1) Explain the typical structure of a research project by elaborating on the levels of abstraction from more abstract to more concrete i.e. from theory level (main question) towards measurement level (Data collection questions and methods).

Please explain the following aspects in the research project title specified there under -

- (a) Theory
- (b) Concepts
- (c) Indicators
- (d) Variables
- (e) Values

“Globalisation and preference of machine technology leads to the decline in local craftsmanship of textile weaving”.

- (2) Define the three components of a good research project/ paper/ article ‘title’. Explain the same through an example.
- (3) Explain the five parts of the ‘deficiencies model’ and ideal introduction for a research project or research proposal.
- (4) Enumerate and briefly explaining 5 qualities of a good research problem.
- (5) What is a literature review ? What are the purposes of doing a literature review ? Elaborate on the organisation of a typical literature review. What is meant by ‘summary’ and ‘synthesis’ ? Please make an example template of an article summary table and an article synthesis table.
- (6) What is a literature map ? Explain how a literature map is made from keywords of the research project.
- (7) Discuss the core characteristics of a qualitative method based research as contrasted against a quantitative method based research.
